

## Prayer for College Students

Promise: "Where can I go from Your Spirit? Or where can I go from Your presence?" (Psalm 139:7 NKJV).

Praise: Jehovah Shammah, The Lord Is There

Prayer: *Our Father, I pray that You will protect \_\_\_\_\_'s mind, body, soul, and spirit. I ask that he/she will not be influenced by the New Age philosophies that are so prevalent on college campuses. I ask instead that \_\_\_\_\_ will be light and salt to those around him/her and that he/she will change the campus for Christ. I ask that his/her faith will not waver but instead grow stronger. In Jesus's name I pray.*
