

Prayer for When Prodigals Insist Their Sin Be Accepted

Our Father, give us discernment and knowledge of truth, and help us to stand firm on Your truth. Protect our faith and knowledge of the truth, and don't let us be persuaded of a lie through our children or other prodigal. When prodigals insist on having their sin accepted as who they are or a part of who they are, or they insist that their pray-ers accept the life they've chosen to live in sin, give us strength to stand for truth.

Reaffirm the truth to us when we have doubt or doubtful thoughts, and help us take every thought captive to the obedience of Christ.

Remind us that Your Word and ways are perfect. There is no other truth, and truth is not relative or subjective.

Help us not to be complacent and accepting of sin. May we never call clean what is unclean.

Please, give us wisdom in day-to-day dealings in standing for truth. Give wisdom on how to stand for the truth practically, in practical ways. It is very difficult at times to know when to speak or not speak, what to say and what not to say. We never want to hinder your work in their lives in any way.

Help prodigals to see the sin in their lives as sin. Don't let any sin be just another part of "normal" life to them or us, but may they be appalled by their sin.

In Jesus' name we pray.
